SUPPLEMENTAL DECLARATION OF Russell Gross  
UNDER 1156 O.G. 53

Ms:

In follow up with the telephone conversation with  
the Examiner on April 16, 2004, the undersigned Russell  
Gross, declares and says that:

1. In December of 2002, I was the attorney of  
record for the above-mentioned application and our office  
was still located at 580 White Plains Road, Tarrytown, New  
York.

2. We never received the Office Action dated  
December 3, 2002, at our Office in Tarrytown.

3. In May of 2003, we informed the United States  
Patent Office of our change of address to Briarcliff Manor.

4. Therefore, our change of address did not effect  
our non-receipt of the Office Action since our Office was  
still located in Tarrytown at the time it should have been

mailed.

5. The docketing system used at the Tarrytown Office is the same one used in the Briarcliff office. Therefore, the docketing records that were previously provided in support of this petition applies to the Tarrytown Office.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that the statement and the like so made are punishable by fine or imprisonment, or both, under § 1001 of Title XVIII of United States Code, and that such willful false statements may jeopardize the validity of this application or any patent issued thereon.
